### By Neve Gordon

*An Israeli In Palestine* is a powerful and moving account of one man's journey to understand the Israel-Palestine conflict and find a path to peace. Neve Gordon, an Israeli Jew, spent years living in the occupied Palestinian territories, where he witnessed firsthand the daily realities of life under occupation. His experiences led him to a profound understanding of the plight of the Palestinians and a deep commitment to their cause.

Gordon's book is a deeply personal account of his own transformation from a young Israeli who believed in the Zionist dream to a committed advocate for Palestinian rights. He writes about his experiences living in the West Bank and Gaza Strip, where he saw the devastating effects of Israeli occupation on Palestinian lives. He also writes about his encounters with

Palestinians, both those who have lost everything and those who continue to resist.

Through Gordon's eyes, we see the human face of the conflict, and we come to understand the deep pain and suffering that has been inflicted on both Israelis and Palestinians. *An Israeli In Palestine* is a powerful indictment of the Israeli occupation and a passionate call for peace. It is a must-read for anyone who wants to understand the Israel-Palestine conflict and find a way to end it.
