Count Us In: Growing Up With Down Syndrome is a powerful and moving book that follows the lives of five young adults with Down syndrome as they navigate the challenges and triumphs of growing up.

Through intimate interviews and personal stories, author Karen Levine provides a unique and inspiring perspective on the lives of people with Down syndrome. She explores the challenges they face, from discrimination and prejudice to the challenges of finding employment and forming relationships.

But Levine also highlights the strengths and resilience of these young adults. She shows how they are overcoming obstacles, achieving their goals, and living full and meaningful lives.

Count Us In is a must-read for anyone who wants to learn more about Down syndrome. It is a book that will change the way you think about people with disabilities.

Reviews
