Lawson begins her memoir by recounting her childhood, where she felt an innate sense of disconnect from her assigned gender. She describes the confusion and isolation she experienced as she tried to conform to societal expectations. As she grew older, her feelings of unease intensified, leading her on a path of self-discovery and exploration.

With courage and determination, Lawson embarked on her transition, a journey that brought both challenges and profound moments of joy. She writes about the complexities of coming out to her family, friends, and the public, and the overwhelming support and love she received from those who mattered most.

Throughout her memoir, Lawson delves into the complexities of gender identity, exploring the fluidity and spectrum of gender expression. She challenges societal norms and stereotypes, and advocates for greater understanding and acceptance of transgender people.

'Crossing' is not just a personal narrative; it is a powerful call for empathy and inclusivity. Lawson uses her platform to raise awareness about the experiences of transgender people, and to advocate for their rights and well-being. She writes with compassion and insight, offering a unique perspective on the human experience.

With its deeply moving prose and thought-provoking insights, 'Crossing' is a must-read for anyone seeking to understand the transgender experience, and for anyone who has ever struggled with issues of identity and self-acceptance. It is a testament to the resilience of the human spirit and the transformative power of living authentically.
