By Jonah Keri

The 1994 Major League Baseball season was a year like no other. A players' strike that began on August 12th led to the cancellation of the World Series for the first time since 1904. Despite the turmoil, the season was full of memorable moments, including the emergence of young stars like Ken Griffey Jr. and Chipper Jones, and the unforgettable performance of the Montreal Expos, who came within one game of reaching the World Series.
