In the aftermath of a brutal war, two sworn enemies find themselves on a collision course that will change their lives forever.

Aiden is a young soldier who has lost everything in the war. His family, his friends, and his home have all been destroyed. He is now a broken man, haunted by the memories of what he has seen and done.

Lyra is a powerful sorceress who has fought on the opposite side of the war. She is a ruthless and determined warrior, but she is also haunted by the guilt of the lives she has taken.

When Aiden and Lyra cross paths, they are both determined to kill each other. But as they spend more time together, they begin to realize that they

have more in common than they thought. They are both victims of the war, and they both deserve a chance at redemption.

As Aiden and Lyra work together to find a way to end the war, they must also confront their own demons. They must learn to forgive themselves and each other, and they must find a way to heal the wounds of the past.
