By [Author's Name]

In his new book, *How Donald Trump Made Peace in the Middle East and How to Stop Joe Biden From Unng It*, [Author's Name] argues that the Trump administration's foreign policy in the Middle East was a resounding success. He points to the Abraham Accords, which normalized relations between Israel and the United Arab Emirates, Bahrain, Sudan, and Morocco, as evidence of Trump's commitment to peace in the region.

[Author's Name] also credits Trump with taking a tough stance on Iran, which he says has led to a decrease in Iranian aggression in the region. He also praises Trump's decision to withdraw from the Iran nuclear deal, which

he says has given the United States more leverage in negotiations with Iran.

In contrast, [Author's Name] argues that Biden's policies are a threat to peace in the Middle East. He points to Biden's decision to rejoin the Iran nuclear deal, which he says will give Iran more money to fund its nuclear program and its terrorist activities.

[Author's Name] also criticizes Biden's decision to withdraw US troops from Afghanistan, which he says has created a vacuum that the Taliban has been quick to fill. He also warns that Biden's support for the Palestinian Authority is emboldening the Palestinians to reject peace with Israel.

, How Donald Trump Made Peace in the Middle East and How to Stop Joe Biden From Unng It is a must-read for anyone who wants to understand the Trump administration's foreign policy in the Middle East and the challenges facing the Biden administration.

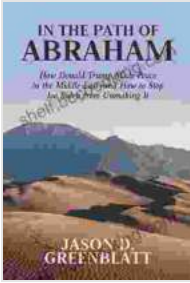

About the Author

[Author's Name] is a leading expert on the Middle East. He has written extensively on the region for a variety of publications, including The New York Times, The Wall Street Journal, and The Washington Post. He is also a frequent commentator on Middle East affairs on television and radio.
