From the #1 *New York Times* bestselling authors of *The President's Daughter* and *The Lincoln Highway* comes a gripping political thriller that will keep you on the edge of your seat from start to finish.

Secretary of State Ellen Adams is a rising star in the Biden administration. She's smart, ambitious, and has a knack for getting things done. But when a terrorist attack rocks the world, she finds herself at the center of a global crisis.

The attack is the work of a shadowy terrorist group known as the Sons of Jihad. They're led by a ruthless mastermind named Abu Bakr al-Baghdadi, who is determined to bring down the United States and establish a global caliphate.

Ellen knows that the only way to stop al-Baghdadi is to find him and kill him. But that's easier said than done. Al-Baghdadi is a master of disguise

and evasion, and he has a network of supporters all over the world.

Ellen and her team must race against time to stop al-Baghdadi and his followers before they can carry out another attack. But the stakes are higher than ever before, and Ellen soon realizes that she's not just fighting for her country—she's fighting for her life.
