This Will Not Pass: Trump, Biden, and the Battle for America's Future is a gripping and deeply researched account of the tumultuous events that unfolded in the wake of the 2020 US election. Written by Pulitzer Prize-winning journalists Jonathan Martin and Alexander Burns, the book provides an insider's view of the political machinations, personal dramas, and historical significance of this pivotal moment in American history.

The Aftermath of the Election

The book begins with a detailed analysis of the immediate aftermath of the election, as President Trump and his allies refused to accept the results and launched a campaign to overturn them. Martin and Burns document the behind-the-scenes efforts by Trump's inner circle to pressure state officials, intimidate election workers, and sow doubt about the integrity of the vote.

The Capitol Insurrection

One of the most chilling chapters in the book focuses on the events of January 6, 2021, when a mob of Trump supporters stormed the US Capitol in an attempt to prevent the certification of Biden's victory. Martin and Burns

provide a minute-by-minute account of the attack, drawing on interviews with key participants and law enforcement officials.

Biden's First Year in Office

The book also delves into the challenges faced by President Biden during his first year in office. Martin and Burns examine the difficulties of uniting a deeply divided country, navigating a global pandemic, and addressing the ongoing threat posed by Trumpism.

The Political Landscape

This Will Not Pass offers valuable insights into the current state of American politics. Martin and Burns argue that the country is facing a crisis of democracy, fueled by the rise of political extremism and the erosion of trust in institutions. They provide a sobering assessment of the challenges that lie ahead for the United States.

This Will Not Pass is an essential read for anyone interested in understanding the recent history of American politics and the challenges facing our democracy. It is a well-written and meticulously researched book that provides a comprehensive account of the events that have shaped our nation over the past few years.

Call to Action
