David Wolf is back in the heart-pounding 15th installment of the bestselling mystery thriller series.

When a respected judge is found murdered in his own home, Detective David Wolf is called in to investigate. The only witness is the judge's young daughter, who is too traumatized to speak.

As Wolf delves deeper into the case, he uncovers a web of corruption and deceit that reaches the highest levels of power. The closer he gets to the truth, the more dangerous the case becomes.

Wolf must use all of his skills and resources to track down the killer and bring him to justice. But as he gets closer to the truth, he realizes that the killer is not who he expected.

In a thrilling game of cat and mouse, Wolf must stay one step ahead of the killer if he wants to survive. With unexpected twists and turns at every corner, The High Road will keep you on the edge of your seat until the very end.
