Into the Darkness

*Feeling the tears
well up in your eyes
Trying to contain them
because you don't want to cry
Is one of the hardest
and most painful things we do
forcing a smile
when it seems the whole world's against you
wanting to hide
and wishing you were dead
because facing people
is something you dread
They'll never understand
Why you feel what you do
this feeling of cold darkness
that never leaves you
But once you go into the darkness
You soon start to find
What you want from your life
and learn it's hard to find
you definitely will get hurt
but that's okay
because though you feel like dying
you still see another day*
