A Treasure Trove of Card Magic Mastery

"Expert Card Technique" is not just a book; it's an encyclopedia of card tricks and illusions. Delve into over 100 carefully curated techniques, each explained in meticulous detail. From the classic Palm Shift to the elusive Faro Shuffle, you'll discover the secrets behind some of the most mesmerizing card manipulations.

Fulves's clear and concise instructions are like having a master magician by your side, guiding you through every step. Whether you're a seasoned performer or a budding enthusiast, this book will elevate your skills to new heights.

Unveiling the Secrets of Card Manipulation

At the heart of "Expert Card Technique" lies a deep understanding of the principles of card manipulation. Fulves breaks down complex techniques into manageable steps, empowering you to achieve seamless execution and astonishing precision.

With each trick, Fulves provides not only the mechanics but also valuable insights into misdirection and showmanship. You'll learn how to control the audience's attention, create illusions, and build anticipation that will leave them on the edge of their seats.

Visual Mastery and Photographic Excellence

Complementing the detailed descriptions, "Expert Card Technique" boasts over 500 meticulously drawn illustrations. These visual aids provide a clear understanding of each technique, ensuring you can visualize and replicate the moves with ease.

Step-by-step photographs capture the crucial moments of each trick, offering an immersive visual experience. This combination of text and visuals makes learning card magic accessible and enjoyable for magicians of all levels.

A Legacy of Magic Excellence

Karl Fulves is a legendary figure in the world of magic, known for his exceptional skill and passion for the art. As a two-time winner of the World Card Magic Championship, Fulves brings a wealth of experience and expertise to "Expert Card Technique."

Dover Magic Books, renowned for their commitment to quality magic literature, is proud to present this exceptional work. Their catalog features a vast collection of classic and contemporary magic books, ensuring you have access to the finest resources in the field.
