In his groundbreaking book, *What Got You Here Won't Get You There*, Marshall Goldsmith challenges the conventional wisdom that got you to where you are today won't take you any further. The world is changing too fast for that. To succeed in the future, you need to learn new skills and adopt new behaviors.

Goldsmith identifies 20 bad habits that can hold you back from reaching your full potential. These habits include:

- Putting too much emphasis on your strengths
- Ignoring your weaknesses
- Failing to take risks
- Being too afraid of failure
- Not being open to feedback
- Not being willing to change

Goldsmith provides practical advice on how to overcome these bad habits and develop the good habits that will lead to success. He also shares stories from his own life and the lives of other successful people to illustrate the points he makes.

*What Got You Here Won't Get You There* is a must-read for anyone who wants to advance their career and leadership skills. The book is full of practical advice and insights that will help you break through the barriers that are holding you back and achieve your full potential.

**Here are some of the key takeaways from the book:**

- The world is changing too fast for you to rely on the same skills and behaviors that got you to where you are today.
